Some cool new banter. Some romance options. Whats not to love? 5 bucks, would have have given this for free to support. Also we got a free 1.4 patch with even more content than this dlc gives.. plz tell me what the new romance is?. Some cool new banter. Some romance options. Fixes one of the biggest problems this game had since the release imho, which was that all of the side characters never interacted with one another. Made it feel rather awkawrd where the only interactions could happen through our main family.. plz tell me what the new romance is?. Some cool new banter. Some romance options.
